

CULTURAL DIVERSITY IN AMERICA

France and the U.S.A. share a lot of cultural ideas. Both countries have had a noticeable impact on one another since the 18th century. I wanted to show the lasting impact France has had on our nation.

SEPTEMBER 29 2014

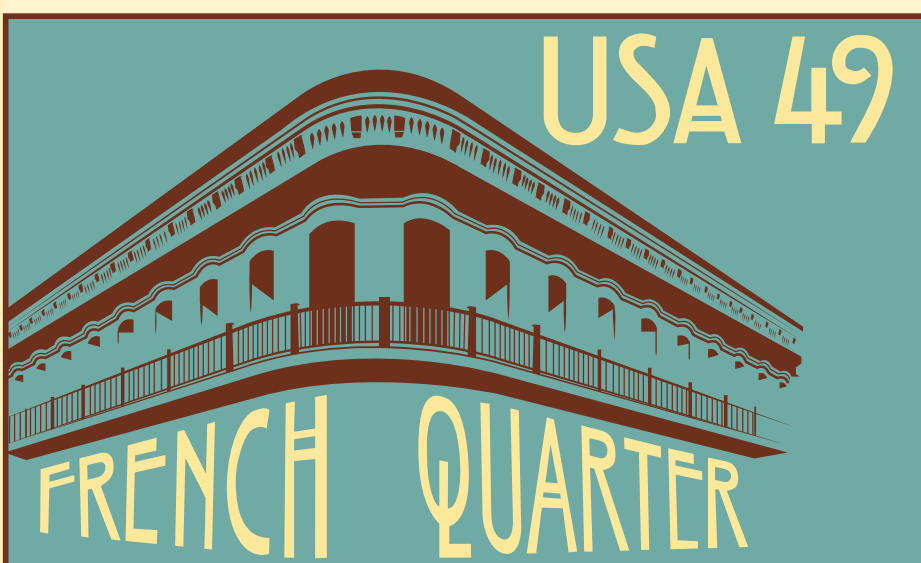

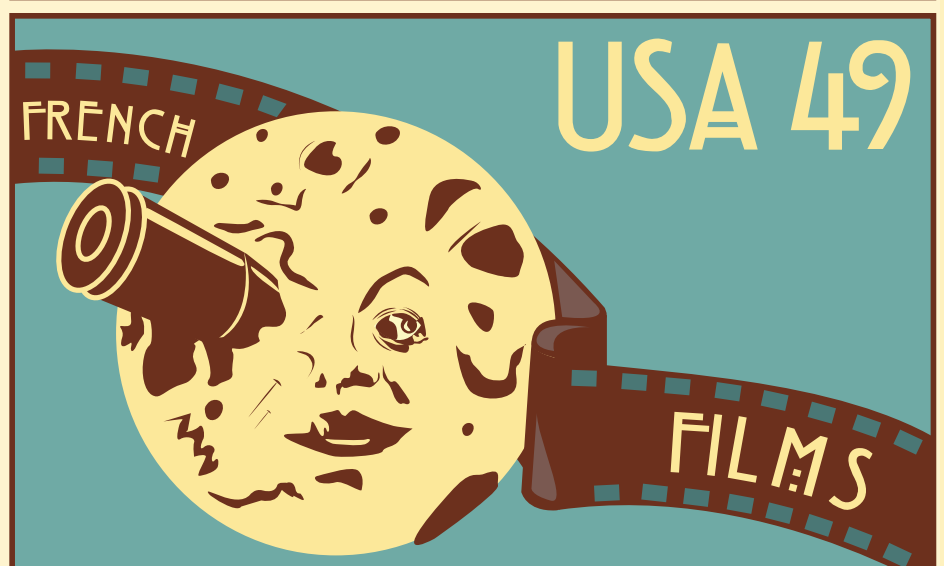

French Liberty

France gave us the statue to celebrate our centennial. It has become a cultural icon and an instantly recognizable symbol of American ideals.

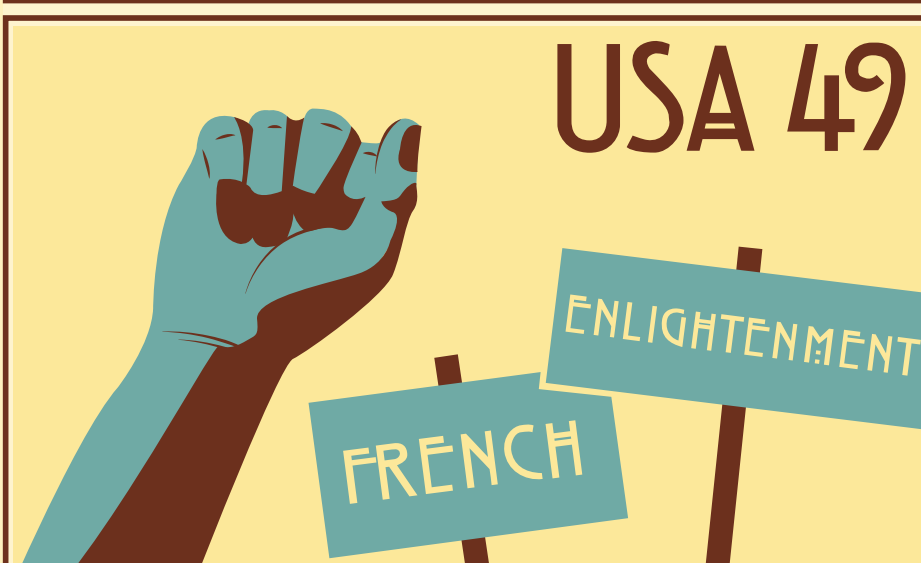

French Films

Filmmaker George Melies's "Le Voyage dans la Lune" is filled with iconic imagery. French cinema has had a huge influence on Hollywood.

French Quarter

The architecture in this Section of New Orleans is Representative of a unique culture that exists only there

French Enlightenment

Ideas originating in the age of enlightenment were adopted by both France and the U.S.A. Exercising your rights is a Celebration of these ideas.
